Restoration Committee announces plans

TESTIMONIAL DINNER

A testimonial dinner in honor of David J. Baum, vice president of the Committee to Restore Carbondale City Hall, will take place on July 15 at the Hotel Chellino. Arrangements for the dinner, sponsored by the Committee to Restore Carbondale City Hall, have been made by Nan Loftus and Joseph Pascoe. Publicity will be handled by Jean Colville. The toastmaster for the dinner will be the committee's president, S. Robert Powell. The deadline for reservations is July 10. For information and reservations, contact Nan Loftus or Joseph Pascoe.

PIONEER DAYS

During Pioneer Days, August 23-28, the Committee to Restore Carbondale City Hall will sponsor a series of educational and historical activities in Carbondale and in City Hall. Among the activities already scheduled are: (1) a slide show on the history of Carbondale by Kay and Oliver Shifler, representing the Carbondale Historical Society; (2) a slide presentation and history of the D&H Gravity Railroad by John V. Buberniak and S. Robert Powell; (3) an illustrated lecture by Donald W. Powell, entitled "Carbondale 1851"; (4) a history of the Scranton Division of the New York, Ontario and Western Railway (the "O&W") by Robert J. Tomaine; (5) an illustrated history of the Dorflinger glass and glassmaking in northeastern Pennsylvania by Kurt A. Reed.

Also scheduled by the committee during Pioneer Days are seminars on railroads and the early schools of Carbondale. In addition, two films will be shows: (1) the D&H Canal; (2) "What Is a Museum?," produced by the Pennsylvania Historical and Museum Commission. Plans are also being formulated by members of the three theatre groups in Carbondale and the Committee to Restore Carbondale City Hall for street performances in Carbondale during Pioneer Days. The performances by the West Side Players will be coordinated by Ralph Perry and Ann Marie Scarpino.

ROOF REPAIRS

The Committee to Restore Carbondale City Hall, which earlier this year had the tower clock of Carbondale City Hall repaired, is presently soliciting bids for the repair of the south roof on the two-story wing and the tower of City Hall. The next meeting of the committee will be on Saturday morning, June 26, at 10 a.m. at City Hall. The public is invited to attend.
